Crunchy Colors

Applejack is happiest at home on the family farm.
Color the apples red, so she knows they're ripe for the pickin'.

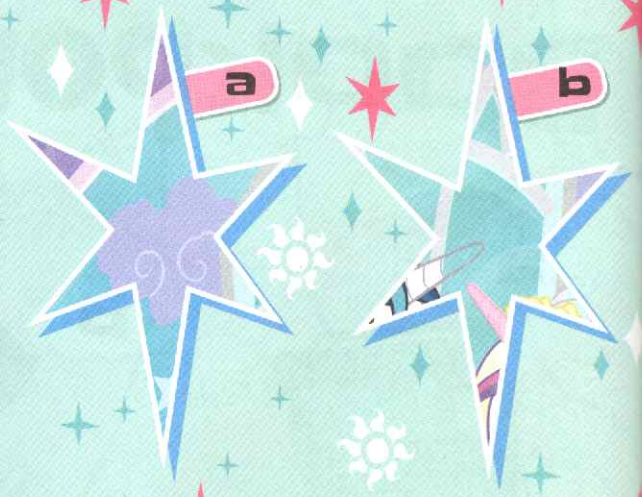
Bookpony

Twilight Sparkle just loves to read.
Draw lines to link the pairs of books.

Answers on page 47

Royally Puzzled

The ponies of the Crystal Empire love Shining Armor, Princess Cadance, and Baby Flurry Heart. Draw lines to match the puzzle pieces to the spaces in the picture.



Answers on page 47

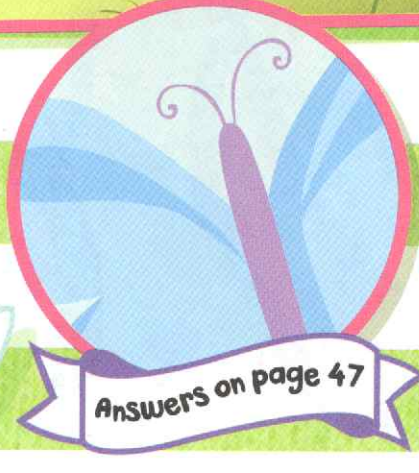
A little Visitor

Which Cutie Mark Crusader is visiting Twilight Sparkle today? Follow the paths and see which leads to the Princess of Friendship.

Answer on page 47

Critter Close-Ups

Fluttershy has lots of cute animal pals. Draw lines to link each close-up to the picture.



Answers on page 47

Triple Trouble

The Chimera has a tiger's front legs and head, a goat's back legs and head, and a snake for a tail. Let your imagination go wild, and create a crazy creature made up of three other creatures!

Sky Race

Rainbow Dash, Fluttershy, and Twilight Sparkle are racing to the Cloudominium. Find two friends, and follow a path each to see who can reach the cloud city first.

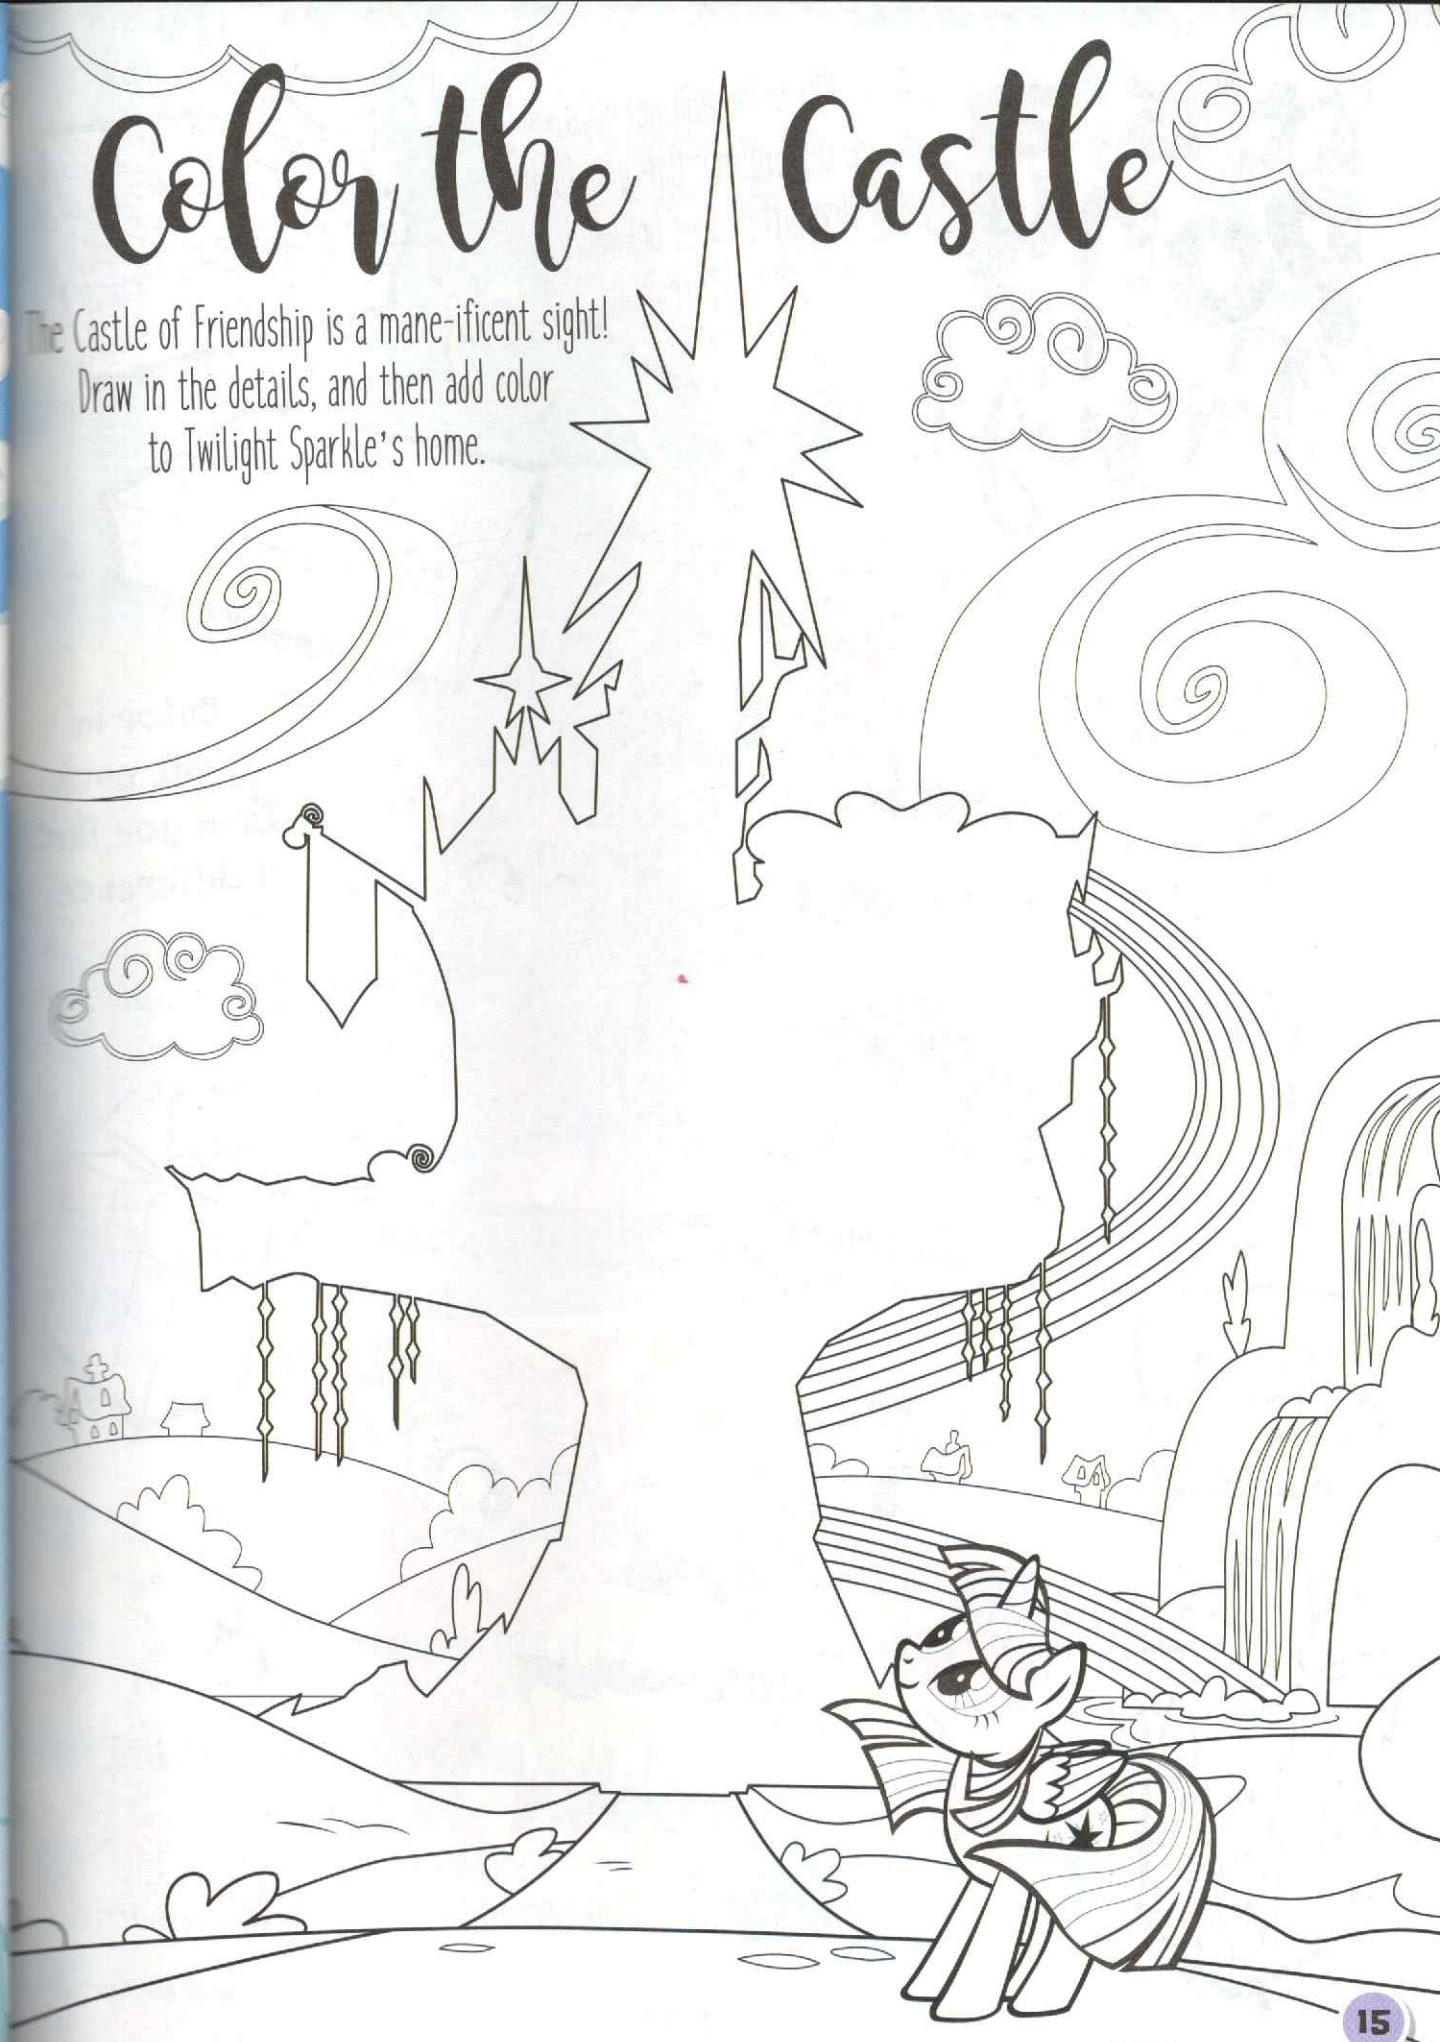
Color the Castle

The Castle of Friendship is a mane-ificent sight! Draw in the details, and then add color to Twilight Sparkle's home.



It's a Pony Party!

Pinkie Pie and her pals are celebrating. Can you find five differences between the pictures?

Color in a gift each time you find a difference.

A Love of Learning

Before the Golden Oak Library was destroyed, it was where Twilight Sparkle looked up the answer to EVERY question. See if you can answer the six questions below.

Answers on page 47

1. What color is the library door? .....
2. What insects have made a home at the library? .....
3. Is the book on the library sign open or closed? .....
4. How many sunflowers are growing outside the library? .....
5. What picture is on the library door? .....
6. What looking devices are at the top of the library? .....

All the Apples

Find a friend and join Applejack and her pals for a game. Cover each pony with a piece of paper, then take turns removing two pieces of paper from your page. If the uncovered ponies match, keep the pieces of paper. If they don't, replace the pieces of paper. Keep taking turns until one player has uncovered all of their ponies — the first player to do so wins!

Player 1

Check off the apples below to record your pony pairs.
